CROQUET.

CLUB AT TE KAUWHATA

(By Telegraph.—Own Correspondent.)

TE KAUWHATA, this day

At a very successful meeting held recently 30 ladies joined up as members of the new **Te Kauwhata Croquet Club**. Steps were immediately taken to organise for the raising of funds to prepare the lawns. A successful dance was held and the sum of £12 cleared above expenses. This sum, together with membership fees, should give the club a good start.

A suitable area in the **recreation ground adjoining the tennis courts** has been secured and it is confidently expected that the lawns will be ready for play in December. Miss Stocken has been appointed secretary.
