

**CALLIOPE CLUB'S MEETING.**

The annual meeting of the Calliope Bowling Club was held in the club pavilion on Friday. The report and balance-sheet were read and confirmed, and the members present expressed their appreciation of the work done by the executive officers.

During the season the club was represented at all tournaments, and though the teams did not win, they maintained the reputation of the club. Croquet was played at Stanley green last year for the first time, and about 18 ladies availed themselves of the privilege. It is anticipated that the membership will increase to 25 this season.

The following officers were elected for the ensuing year:—President, Mr. Geo. Gribbin; vice-presidents, Messrs. C. G. Macindoe and W. H. Bartlett; hon. secretary, Mr. H. Linder; hon. treasurer, Mr. H. E. Simmonds; hon. auditor, Mr. E. S. Wight; match committee, Messrs. E. S. Wight, G. M. Reid, and W. F. Stevenson; committee of management, Messrs. W. Mitchell, P. Ellis, F. Mulcrac, C. L. Jewell, G. M. Reid, and A. Bogerson.

The ground superintendent will be elected at the first committee meeting.

## CROQUET.

The ladies of the Croquet Club in conjunction with the Calliope Bowling Club, Stanley Bay, had a gala day yesterday, the whole of the bowling green being converted into croquet lawns, making seven lawns in all. The ladies apparently have had a good report about this green, as about ninety-three ladies availed themselves of the opportunity to play, coming in many instances from some distance. The winner of the A players was Mrs Stretton and the winner of the B players an Onehunga lady. The hon. secretary (Mrs Ross), and also her committee, are to be congratulated on the arrangements made, and thanks are due to the ladies who presented the prizes and also supplied a splendid afternoon tea, which made the afternoon most enjoyable and successful.
