The Karaka Recreation Club is formed with the aim of providing tennis, bowling and **croquet** facilities in the area, as well as a public hall. Tennis courts are soon established on two acres of land purchased from a Mr Lindesey. This is the origin of the Karaka Tennis Club. A public hall is also opened in 1922 (24 April 1922).

It appears the present day Bowling Club is where the Karaka Croquet Club was - the old B.C. site is now a carpark.
